

Dear Mare Owner:

Thank you for your interest in WC Designed. Redwing Farms feels that in Designed we are offering the breeding public an extremely talented young stallion with an outstanding pedigree. In a five generation pedigree on his female side alone-Designed has **19 Hall of Fame Broodmares. 61% of the mares in his dam's pedigree are in the Broodmare Hall of Fame. His dam, Sultan's Dianna, is a double copy mare for the "large heart" gene. This means that Designed has that gene. 100% of the mares on Designed's female pedigree carry the "large heart" gene.**

A lot has been said about Designed's sire. Ch. Caramac is known as a sire of winning show horses-he has topped the Kentucky State Fair World Championship Sire Rating...and is in the "top five" category consistently on all performance sire ratings.

Firmly believing that a good breeding horse must have an outstanding dam- here are some facts regarding Designed's dam-Sultan's Dianna. In 2003 Sultan's Dianna was inducted into the Broodmare Hall of Fame-as was her dam Society's Dianna. Sultan's Dianna is a full sister to WGC Sultan's Starina, WC Freedom Hall, WC Desert Prince and show ring winner Magic Devil. One of the most exciting young gaited mares of the 1980's-Sultan's Dianna only had made three years in the show ring prior to having her show ring career ended by laminitis-however, she a lasting impression on judges and spectators alike.

Besides her natural talent and show ring charisma-it is **Sultan's Dianna's** pedigree that we feel is the strongest influence on Designed's ability to sire show ring champions. As a broodmare Sultan's Dianna has followed in the footsteps of her Broodmare Hall of Fame dam...for along with WC Designed she is also the dam of **RWC Delicious, Artic Lites, Remember Dianna, RWC Radiant Dianna**-dam of WC Aurora Borealis and Sir Radiant Knight; **You Look Radiant**-dam of WC Gloria Vanderbilt; **Dianna's Song**, dam of champions Mystery Guest and Radiant Future; Dianna's Treasure, dam of Phind The Treasure, Wisconsin Futurity Weanling Champion, **Ch. Fatal Charm**-dam of Telling Secrets and Mistaken Identity-both champions of the Bluegrass Futurity Limited Weanling Championship, **Dianna HiLite**-dam of champions Definitely Dianna and The Princess Dianna. As expected, Sultan's Dianna's daughters are proving to be excellent broodmares.

Through her dam, Sultan's Dianna brings a mixture of Society Rex and San Juan-along with 55 rare crosses to Black Squirrel. It is those bloodlines that made Sultan's Dianna such a remarkable individual and they will influence the breeding

career of her stallion son Designed.

Designed has won in three divisions-fine harness, five-gaited, three gaited, with major victories being the Two-Year-Old Fine Harness class at the Lexington Junior League Horse Show...Reserve World Champion Three-Year-Old Five Gaited...World Champion Amateur Three-Gaited 15.2 and Under.

When his first small crop began their training-it was evident that Designed is a breeding horse of unusual ability. He is siring winners in all divisions and the biggest fans of his get are the professional horseman and horsewoman who recognize their trainability and athletic talent.

Among his winning offspring at major shows are WC Glenview's Excelalante!, RWC Cassini, WC Nanette Le Pore, WC Ooh Yes I Can, WC Gloria Vanderbilt, RWC Redesigned, Perfectly Designed, Maggy London, Royal Crest's Stone Design, Pierre Cardin, Delilah Belle, Direct Effect, Who, Destined, New York Designer, WV He's A Phine Design, Hot Couture, Royal Crest's Stone Jester, Always's Remembered, Ferragamo, Dance By Design, DeLovely's Coco Chanel and Designed A Prince of Dreams.
